I. CORNUTA ROTUNDA

**S**outhern Alabama's destiny — to become the nation's richest horticultural area—has been prophesied by many. An almost perfect climate, rich soil, and plenteous rainfall are contributing factors to the prophecy. They are also the explanation for the abundant growth our plants have experienced this season. The products offered in the following pages are in the peak of condition, and it is our privilege to offer them to you.

# Terms and Conditions

**TERMS**—All prices herein are strictly NET CASH, to the trade only, and are F.O.B. Semmes, Alabama. There is a 2% discount on all items except liners.

**C.O.D. ORDERS** must be accompanied by 25% of purchase amount. For a deposit of 25% on any order we will hold same.

**Lots of 5, 50, and 500** of the same variety and same size will be sold at the 10, 100, and 1000 rates, with the exception of all varieties of Azaleas, on which we cannot accept orders for less than 25 liners of a single variety; nor less than 10 of any other size of a single variety. Specimen stock selected from or marked in the nursery by customers will be charged for according to its value. The prices will be higher than the listed prices.

**PACKING**—Orders requiring crating or baling for transit via rail, motor freight, air or express will be charged packing at cost. No charge on packing of liners.

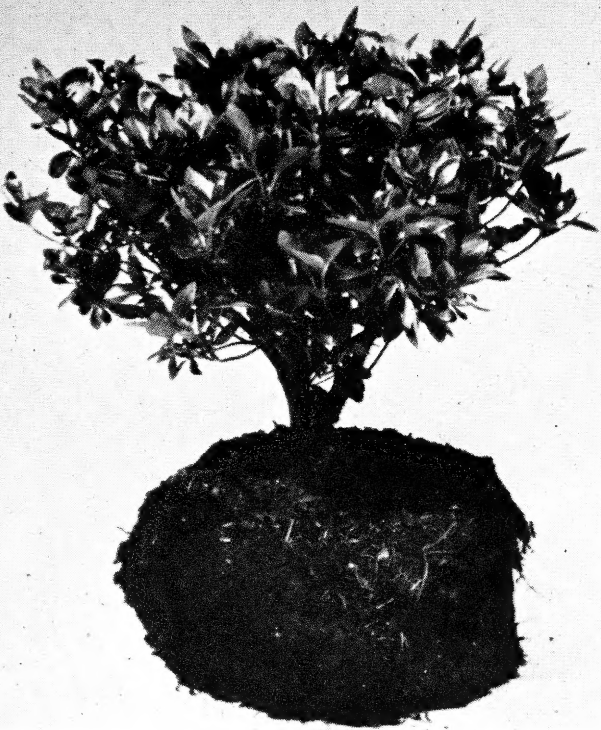

**SHIPPING**—Please give shipping instructions whether by freight or express, and route. If no instructions are given, we will forward to the best of our judgment, without assuming responsibility. All goods travel at the purchaser's risk and expense.

**TRUCK SERVICE**—We are able to offer service within a radius of 100 to 2,000 miles from Semmes. Charges average much less than railroad rates with delivery at your door. If interested, write for further information.

**CAUTION**—We accept all orders subject to crop conditions and on conditions that some shall be void should injury befall our stock from hail, fire, frost, error in count or other causes beyond our control. All orders are accepted without liability for non-performance if labor shortages or delay in transportation should prevent us from making delivery.

**GUARANTEE OF GENUINNESS**—If any nursery stock proves untrue to description or variety name under which it is sold, we hold ourselves in readiness on proper proof, to replace such nursery stock that may prove untrue to description or name. We shall in no case be liable for any sum greater than the amount originally received for said nursery stock.

**CLAIMS** for any cause must be made promptly on receipt of stock. We will not entertain claims after goods have been once accepted, or when report is not made within Ten Days after arrival of stock. We express or imply no warranty as to the productiveness or life of the nursery stock we sell and will not be in any way responsible for the results secured in transplanting.

A typical example of our well budded and expertly pruned Kurumes.
